FÉDÉRATION MONDIALE DES INSURGÉS

Corruption has invaded politics witch no longer serves common interest. Basic rights are violated and our helplessness is organized. Cleavages left and right no longer matter considering the danger ahead. A few families hog wealth worldwide they try to enslave us and organize war, terrorism and crisis. They divide and dehumanize us bit by bit each day to establish a :
« **NEW WORLD ORDER** »

They threaten us today with a third world war and they are hiding upcoming financial crisis. It's time to end their actions and take back control of our democracies. All fights are important but without union we will never achieve our true goal :
« **RECOVER OUR FREEDOM AND OUR DIGNITY** »

Insurgents Worldwide Federation propose to gather all Men working for this purpose within one entity. Insurgents Worldwide Foundation is apolitical and makes no distinction between Men. It's respectfully adressed to everyone with no distinction of origins, skincolor nor religion.

**A UNITED PEOPLE IS A STRONG PEOPLE!
OUR FUTURE STILL DEPENDS ON US!**
